

## 12-Device Desktop USB Charging Cabinet - Charge Only for any USB device up to 12" - Vertical

- **The DeskCabby Charge Only** charges 12 USB devices such as tablets, mobile phones, POS, Kindle, Android, Surface or any other USB chargeable equipment via a USB A Hub.
- **It is efficient and intelligent** as it auto-detects the exact make and model of the device and delivers high-speed charge at the optimum rate, 2.1amps maximum per port.
- **This unit never overcharges** as it detects when the device battery is full providing trickle charge.
- **It has a device & cable protection** with a lockable retractable door and a cable management design that prevents cables from being stolen or damaged.
- **The charging indicator lights** let you know whether a device is still being charged or ready to use.
- **It is Safe and Reliable with electrostatic discharge (ESD), over-voltage, over-current and over-temperature protection.**
- **With Support for Life with Lifetime Warranty** (5 years electrical), shipped fully assembled.
